We reserve the right to cancel classes or the program if enrollment is not met to justify running the program by May 10. In cases of cancellation before May 10, all fees will be returned. After that date no refunds will be made.

Please do not allow your child to bring electronic devices to the camp. Sally will have her cell phone on at all times, 406-259-6563, and we will get messages to your child immediately. This is an important time for campers to socialize with other artists in between classes and to focus on hand skill development and creativity in the classrooms.
